

Docket: No.: T2147-906626
Appl. No. 09/701,611
Reply to Office Action of April 14, 2004

REMARKS

Claims 35-46 and 53 are pending. Applicant would like to thank Examiner Rimell for the courtesies extended to Applicant's representative, Mr. Jason Vick, during the May 24th Personal Interview. During the interview, claim 35 was discussed and contrasted with the Depledge reference. At the Examiners request, and without conceding to the propriety of any outstanding rejections, Applicant has amended the independent claims to clarify that the creating step is based on, and subsequent to, the analyzing step, as now recited in claims 35, 41 and 53.

Since it was agreed during the Personal Interview that the Depledge reference did not teach or suggest this feature, Applicant submits all outstanding rejections have been overcome.

An early Notice of Allowance is respectfully solicited.

Should the Examiner believe that any further action is necessary to place this application in better form for allowance, the Examiner is invited to contact Applicant's representative at the telephone number listed below.

The Commissioner is hereby authorized to charge to deposit account number 50-1165 any fees under 37 CFR § 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been separately requested, such extension is hereby requested.

Respectfully submitted,

By:
